

How Brand USA Promotes Wyoming

Brand USA drives the growth of legitimate inbound travel to strengthen the U.S. economy, bolster exports, and create quality jobs.

DRIVING U.S. LEADERSHIP IN THE COMPETITIVE GLOBAL MARKETPLACE

Brand USA runs data-driven campaigns that measurably grow international arrivals and spending. These efforts stimulate demand for U.S. destinations, create new travel product for international markets, and ensure economic benefits are dispersed throughout the country. Brand USA makes its biggest impact beyond the gateways, including communities and businesses throughout Wyoming.

Social Media

Social media is the primary way people around the world engage, share, and make travel decisions today. In FY23 and FY24, Brand USA featured destinations in Wyoming in more than 20 social media marketing campaigns across multiple platforms.

Content Marketing

Content marketing targets interested audiences with specific USA experiences to convert them from consideration to booking. Wyoming is featured in a variety of ways, including:

GoUSA TV is the world's leading streaming channel for travel. With global distribution built in, Brand USA delivers episodic and long-form productions to entice viewers to plan their next USA trip. In FY23 and FY24, Wyoming was featured in one original *GoUSA TV* show, "Small Town, Big Story," and five licensed shows.

Cooperative marketing allows Brand USA to create effective, unified messaging that spans the country while helping destinations and businesses reach and compete in international markets.
