## TIPPING/GRATUITIES

In service industries (hotels, restaurants, and transportation) tips are expected and greatly appreciated. You don't have to go overboard, but be sure to show the love for the great service you've received. Here's a guideline on how much to tip and to whom:

- Hotel doorman \$1 for hailing a cab
- Porters and bellhops \$1–\$2 per bag
- Housekeeping \$1–\$2 per day of your visit, or as much as \$5 per day
- Wait staff and bartenders 15–20% of total bill
- Taxi drivers 15–20% of total fare
- Hairdressers 15–20% of total service cost.
- Tips for other service personnel, such as theatre ushers, tour guides and coat-check staff are always appreciated. We will endeavour to have gratuities included for most activities however the hosts will let you know if tipping is not included. Anything outside of the included activity would be at your own expense.

**One more thing on tips:** If you're having drinks at a bar, bartenders typically expect at least a \$1 tip for every drink they serve you. Later on, when the bar gets crowded, you'll be glad that the bartender remembers you and previous tips!

**Credit card;** A valid credit card will be required at check as it is common practice at most hotels to hold a security deposit for the room. This can range from USD100 – USD300 per night. The funds are released again at check out. Brand USA, our destination and hotel partners are not able to waive the security deposit for you.

## ELECTRICITY

The current is 110 volts, 60 cycle AC. The plug is a flat two-prong variety. Some appliances will need a special adaptor plug.

## IDENTIFICATION

Don't forget to pack your ID wherever you go. If you don't have it, you may not be able to enter some bars/clubs or be served alcohol. Also, many shops require it with every credit card purchase.

## BAGGAGE

Your team colour is '**GREEN**'. Each team has its own unique colour and logo. All participants will receive a personalised baggage tag.

Your checked baggage should have your personalized luggage tag on it at all times, if you have not received your luggage tag leading up to the departure, your friendly Brand USA host will have it for you at the airport.

Hawaiian Airlines has a generous baggage allowance of 2 bags @ 23kg's – so lots of room for shopping!

Brand USA • VisitTheUSA.com.au

## EMERGENCY

In the event of an emergency (fire, ambulance or crime-related) **dial 911** from any phone.

**For consular assistance please contact:**

New Zealand Embassy to the USA: Telephone: +1 (202)3284800

Australian Embassy to the USA: Telephone: +1 (202)7973000

## U.S. SIM CARD

You will be allocated a USA sim card by your Brand USA host. If you encounter any issues with your SIM card and its operation please contact our friends at SIM Corner through the below details:

Email – [support@simcorner.com](mailto:support@simcorner.com)

Please look after your SIM card. It's important that you keep it in your phone at all times, and if you do decide to swap your sim card for another and accidentally misplace your provided U.S. sim card – you'll be required to purchase another one at your own cost.

Olympia's beloved Spar Café was family-owned for 60 of its 70 years of existence and then changed hands to another Pacific Northwest family — ours! From its original days as a blue-collar joint for dockworkers and loggers to its modern reinterpretation as a gathering spot for students, politicians and legislators, The Spar has a long-running history as an anchor of the community. Have a look at an excerpt from our newsletter for a [story on the Spar's past](#).

**Transfer** to [St. Helens Visitor Centre](#) for a site inspection

The Mount St. Helens Visitor Centre opened its doors to the public a few years after the monumental eruption of Mount St. Helens. Functioning as a gateway to the mountain, over 30 miles away, our goal is to educate visitors on the historical significance of the landscape before and during the eruption. We also focus on the resulting impact on nearby ecosystems. Our vantage point offers a view of the Western slope of the mountain, visible from both our centre and walking trail.
