*Journey
to Success*

**Women in Travel and
Tourism International
Inaugural Conference**

**July 14-16, 2016
The Journey to Success
starts in Las Vegas**

**Women in Travel and
Tourism International
(WITTI) exists to
connect, support and
promote women's
contributions in the
Travel and Tourism
fields. We advocate
for the success of
women in the industry
through peer-to-peer
networking, mentoring,
lead sharing, and
research.**

Journey to Success is our inaugural event, presenting unique access to meet with a national network of professional women; innovators who are committing a weekend to learn, nurture, grow and collaborate. Workshops will cover skills, trends, and best practices as you prepare to lead the next era of adventure. We look to you to inspire new ideas, cultivate new relationships, and create new business.

Be a part of journey to success as a participant, with options starting at just \$295. Join us as an exhibitor for just \$1,000. And to truly help WITTI turn our mission into a movement of women changing policy and creating opportunity, become a sponsor, with amazing rewards at every level from five to fifty thousand.

The WITTI team is dedicated to providing concierge level service for every participant. We have a dedicated event team ready to discuss how our event can take you, your business, your brand, your dreams to the next level. For more information, and to take the next steps to joining us at the Las Vegas Tropicana this July, please contact Jesyca Hope at: jesyca@ileadstrategies.com or **785-554-0247**.
